RE: CONFIRMATION OF BENEFICIARIES RECEIVING SUPPORT FROM THE TRUST

We hereby confirm that the beneficiaries of The Pondoland Conservation Trust, registration IT000096/2022(D), are the Pondoland community which is dominated by blacks.

We further advise that 75% beneficiaries receiving support from the Trust are blacks as reflected on our Trust deed as follows:

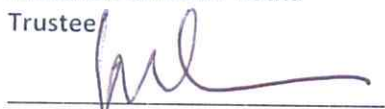

11. BENEFICIARIES

- 11.1. The Trustees shall select the Beneficiaries and the extent to which they benefit, from time to time from the category of potential beneficiaries.
- 11.2. The potential beneficiaries shall include persons; entities; institutions; or causes or an environmental, social, educational or other community-type cause which in the discretion of the Trustees will have intended benefit, even if in an indirect nature, for Pondoland communities including but not limited to:
 - 11.2.1. The Rhole (Lupathana) Community;
 - 11.2.2. The Manteka Community;
 - 11.2.3. The Ndengane (Msikaba) Community.

Signed for and on behalf of the Trust
